

# 2023 MBMA Hole-In-One Pot

## Updated for 2023

- Hole-in-One pot entry is open to all MBMA Members in good standing.
- Entry into the pot is \$10 for the first entry (player + 1 choice) – pick any other MBMA member as the choice. If either the player or the choice makes a Hole-in-One, the player wins (see below.)
- Additional entries (2 choices) are available for \$10 each. There is no limit on the number of entries per player.
- Entry can be made by email or text to the Competition Director / League Manager. After entry, the player is responsible for getting his entry fee submitted ASAP.
- Entries are valid beginning with the next MBMA event.
- Players may change their additional choices at any time by notifying the League Manager (to take effect beginning with the next MBMA event.)
- All entered players will be listed on the MBMA website, along with the current prize total.

## Hole-in-One – Winning

- Hole-in-One must be made in an official MBMA event (league match, sub-play, tournament...) at Mariana Butte Golf Course.
- Hole-in-One must be witnessed by at least 1 MBMA member.
- Hole-in-One must be from the regular teeing area (play from temporary or forward tee boxes is not considered valid, unless expressly noted by the League Manager.)
- If there are multiple valid Holes-in-One on the same day of the same event, the prize pot will be evenly split between all winners (see below.)
- If there are any questions, the MBMA Officers will provide a final, binding ruling.

## Hole-in-One – Payout Process

- Upon confirmation of a valid Hole-in-One, the total prize will be awarded as follows:
  - If the player making the Hole-in-One (winner) is in the pot, he wins 60% of the total.
    - Of the remaining balance (either 40% or 100%)
      - If any player has picked the winner as their choice, they evenly split the balance.
      - If no player has picked the winner as their choice, the balance returns to the winner.
    - If the winner is not in the pot, nor chosen by any player, the prize is not awarded to anyone.
  - Once a pot is awarded, the pot is reset, and players must submit new entries.
  - Any unawarded prize pot at the end of each season will be used for either a Youth Golf Donation or for the MBMA Season Ending Tournament/Party (at the discretion of the MBMA Officers.)
