

2024 MBMA Sub-Play Tee Times

Play Days & Times

- All play is first-come first-in, based upon tee time availability.
- Players are responsible for their own green fees (twilight rates) and carts if needed. There is no additional entry fee or charge to play.
- Individuals/Subs have priority to play, but all active MBMA members can join.
- Sub-Play tee times will be scheduled every regular league night beginning during the 2nd week of league play (April 15th in the 2024 season.)
- MBMA Sub-Play will be booked at 5:40 each night. If the 5:40 tee time is full, members can book the 5:50 tee time for additional play.
- Sign-up for each night will be through a Google Sheet with dates available at least one month ahead (also depending on tee time availability.)
- Registration will close when all spots are filled or the Sunday morning before play, whichever comes first.
- All unused spots will be returned to the course on the Sunday before play. It might be possible to have non-MBMA players in a group.
- Once registration is closed, individual players will be responsible for last minute cancellations.
- The regular league No-Show policy & penalties will also apply to Sub-Play tee times.

League Match Substitution

- Players on the Sub-Play list will be on-call for substituting in regular league play.
- If needed, a League Captain or Player will contact Sub-Play players directly to substitute in the regular league play. And if there is a last minute No-Show, the Sub-Play player may be asked to move forward to play the league match.
- It is the responsibility of either the League Player or Sub-Play player to notify the course as early as possible.

Scores & Handicaps

- All players should play their regular league tees, and all scores should be recorded.
- League Match and Chicago scorecards will be available in the MBMA box.
- Following play, players should return scorecards to the MBMA box for handicap calculations.
- If desired, players can set up a separate game to play, but all play does include the nightly Closest-to-the-Pin contest. The final group should remember to collect the marker.
- All regular MBMA league & local rules apply.
